IHDA Emergency Rental Assistance

Clients who applied to IHDA ERA should receive an email from IHDA by this week to hear whether their application was approved.

To provide CHRP assistance to clients who received IHDA funding calculate the maximum and subtract \$5,000. This is the new maximum. Example:

- Client needs assistance with 3-bedroom unit June-November with rent of \$1,700
- FMR prior to July 1, 2020: \$1,542
- FMR after July 1, 2020: \$1,585
- Maximum Assistance = $1542(1) + 1585(5) = \mathbf{\$9,467}$
- Maximum Assistance if received IHDA = $1542(1) + 1585(5) - 5000 = \mathbf{\$4,467}$
- September + October + November = $\$1,585 + \$1,585 + \$1,297 = \mathbf{\$4,467}$
